Material	Plastic
Colour	Black
Material quality	-
Suitable for rigid tubes	No
Suitable for flexible tubes	Yes
Suitable for pliable tubes	Yes
Air tight	Yes
Pushthrough membrane	Yes
Dispatch	25

To make the range of installation material complete, Attema certainly also offers a range of installation aids. In all their diversity they have one thing in common: the same practical Attema quality. Attema has it all. From the spectrum probe for locating obstructions in conduits that occur in concrete walls or floors to a large series of end caps for rigid and flexible conduit. From diagram sleeves to conduit sleeves. From conduit couplers and reducing sleeves to cable fish tapes.
