Article no:	AT1964
EAN:	8712259220369
Colour	Grey
Amount Packaging	5 x 10 st.
Degree of protection (IP)	IP40
Width	100 mm
Length	125 mm
Diameter	
Type of fastening	Click
Model	Suitable for data link
Depth	35 mm
Degree of protection (NEMA)	-
Shape	Rectangular
With connection cable	No
Number of socket outlets	
Number of 3-pole connectors	
Number of 4-pole connectors	
Number of 5-pole connectors	
Dispatch	50

The Consolidation Box from Attema makes it possible to install ICT cabling in a flexible manner, because the installation is divided into two steps. The largest portion of the work takes place during the rough construction, at the same time as the other cabling is installed in the building. As a result, you only have to install a small portion of the ICT cabling during the finishing phase. The Consolidation Box complies with the installation standards of EIA/TIA 568A/B, ISO 11801 and NEN-EN 50173.
