<b>Article no:</b>	<b>AT1970</b>
EAN:	8712259220406
Amount Packaging	5 x 10 st.
Height	
Width	27 mm
Length	28.4 mm
Inflammability class of insulation material according to with UL94	-
Shape of opening	None
Number of openings	
Material adapter plate	Plastic
With sealing	Yes
Degree of protection (IP), mounted	IP40
Dispatch	50

The Consolidation Box from Attema makes it possible to install ICT cabling in a flexible manner, because the installation is divided into two steps. The largest portion of the work takes place during the rough construction, at the same time as the other cabling is installed in the building. As a result, you only have to install a small portion of the ICT cabling during the finishing phase. The Consolidation Box complies with the installation standards of EIA/TIA 568A/B, ISO 11801 and NEN-EN 50173.
