

Adapters

**Adapter PL, Panduit type with label window**

- Adapter for mounting in the AK2-D cover of an RJ45 connector from Panduit (see selection table on the website).
- Version 'L' has a label window for attaching an encoder strip.

Article no:	AT1989
EAN:	8712259245416
Amount Packaging	4 x 25 st.
With label window	Yes
Mounting method	Module frame
Material	Plastic
Halogen free	Yes
Type of fastening	Engage (snap)
Colour	Grey
Material quality	Thermoplastic
Surface protection	Untreated
Surface finishing	Matt
RAL-number (similar)	
Transparent	No
Device width	
Device height	
Device depth	
Assembly arrangement	Modular device for domestic switching devices
Utilization	Modular Jack
Support ring	Yes
With dust cover	No
With hinged lid	No
Outlet direction	-
Imprintable label	Imprintable label snap-in in intermediate ring
With imprint	No
Anti-bacterial treatment	No
Number of modules (module system)	1
With buses/couplings	Yes
Suitable for number of connectors	
With strain relief	No
Shielded buses	Yes
Shielded housing	Yes
Luster terminal	No
With lighting	No
Suitable for degree of protection (IP)	IP20
Impact strength	-
Min. depth of built-in installation box	
Dispatch	100

The Consolidation Box from Attema makes it possible to install ICT cabling in a flexible manner, because the installation is divided into two steps. The largest portion of the work takes place during the rough construction, at the same time as the other cabling is installed in the building. As a result, you only have to install a small portion of the ICT cabling during the finishing phase. The Consolidation Box complies with the installation standards of EIA/TIA 568A/B, ISO 11801 and NEN-EN 50173.
