Article no:	AT2150
EAN:	8712259061610
Halogen free	Yes
Amount Packaging	10 x 10 st.
Rated insulation voltage Ui	500 V
Mounting method	On central conduit box
Degree of protection (IP)	IP40
Material	Plastic
Width	90 mm
Length	90 mm
Colour	White
Surface protection	Untreated
Explosion-tested version	No
For Ex-zone gas	None
For Ex-Zone dust	None
Operating temperature	-40 - 70 °C
Circuit integrity	None
Depth	33 mm
Cover model	Mounting cover
Equipped with	None
Shape	Square
Tackable	No
Number of inlets	3
For tube diameter	16 mm
Max. conductor cross section	6 mm ²
Mounting in the soil	No
Mounting under water	No
Inlet from the rear	Yes
Type of housing feed-through	Preembossing
Transparent cover	No
Cover attachment	Hinged
Castable	No
With casting compound	No
Sealable	No
With screening	No
Weatherproof	No
Dispatch	100

The expansion box is specially designed for expanding traditional installations. The expansion box has three conduit lead-ins 16 mm with knockouts, fits on all round ceiling and wall junction boxes and is independent of the position of the existing junction box.
