Additional accessories

Transmitter without probe

· Operates on 9V battery (not included).

| Article no: | AT2660 |
|----------------------------|---------------|
| EAN: | 8712259002989 |
| Amount Packaging | 1 st. |
| Suitable for pipe diameter | 16 - 32 mm |
| Current supply | Battery |
| With case/bag | No |

To make the range of installation material complete, Attema certainly also offers a range of installation aids. In all their diversity they have one thing in common: the same practical Attema quality. Attema has it all. From the spectrum probe for locating obstructions in conduits that occur in concrete walls or floors to a large series of end caps for rigid and flexible conduit. From diagram sleeves to conduit sleeves. From conduit couplers and reducing sleeves to cable fish tapes.
