Cable-mate® cableboxes for dry indoor use

Flat Box, 4x3p black (connected 2+2) + connection wires WAGO

- · Including mounting plate and cover.
- · Dimensions: 120 x 120 x 40 mm.
- · Box can be adjusted in any direction.
- · Quick installation on various central boxes and flush-mounted boxes.
- · For possibilities of hole pattern, see the assembly instructions.
- · Suitable for mounting in suspended ceilings and underfloor areas.
- · Equipped with VD wire 2.5 mm².
- · All connectors are equiped with locking.

Cable-mate® is the innovative, award-winning cable box system that excels in terms of time savings and ease of installation. There is a wide selection of versatile cover material that can be attached to the cable box easily, without screws. The completely renovated raceway click attachment system makes rapid installation possible on all common raceways.
