Cable-mate® cableboxes for dry indoor use

AK2-S/GZ/WIK 3p, double socket cover Wieland

- · 5-pole input and output, including locks, for a 3-phase power supply.
- · Cover with double socket, power supply from L1.
- · Pre-shaped plastic assembly bracket for quick click-assembly on all common cable ducts.
- · Wiring: 2.5 mm²

Product data sheet

Cable-mate® is the innovative, award-winning cable box system that excels in terms of time savings and ease of installation. There is a wide selection of versatile cover material that can be attached to the cable box easily, without screws. The completely renovated raceway click attachment system makes rapid installation possible on all common raceways.
