## Cable-mate® cableboxes for dry indoor use

## AK2-S/GZ/WIK 5p, cover (2+2)x3p L1/L2 Wieland

- 5-pole input and output, including locks, for a 3-phase power supply.
- Cover with (2+2)x3p chassis parts, including locks, power supply from L1 and L2.
- Pre-shaped plastic assembly bracket for quick click-assembly on all common cable ducts.

• Wiring: 2.5 mm<sup>2</sup>

Cable-mate® is the innovative, award-winning cable box system that excels in terms of time savings and ease of installation. There is a wide selection of versatile cover material that can be attached to the cable box easily, without screws. The completely renovated raceway click attachment system makes rapid installation possible on all common raceways.
