Conduit diameter	19 mm

To make the range of installation material complete, Attema certainly also offers a range of installation aids. In all their diversity they have one thing in common: the same practical Attema quality. Attema has it all. From the spectrum probe for locating obstructions in conduits that occur in concrete walls or floors to a large series of end caps for rigid and flexible conduit. From diagram sleeves to conduit sleeves. From conduit couplers and reducing sleeves to cable fish tapes.
