

K25/P25 Flat tube system accessories

**DP25 single data point Cat 5e white (RAL 9010)**

- Consists of base plate, cap, Cat 5e RJ45 jack with toolless cutting contacts for data cable connection, transparent mounting plate with simple click installation of RJ45 jack, cover with dust cap and mounting hardware.
- Mounting plate and cover can be rotated for both horizontal and vertical application, so that the RJ45 jack and dust cap are always in the correct position.
- Application possible in combination with K25/P25 or Z25/F25 duct.
- Open inlet for flat duct, no separate inlet piece required. Flat duct inlet on other side can be knocked out.
- Integrated stop on base plate for duct and cover.
- Overlaps duct cover by 5 mm. Purely right-angled sawing and sawing to size of the cover is not necessary.
- Knockout in the base plate for rear inlet of duct Ø 16 mm.

Article no:	AT5594
EAN:	8712259306780
Length	64 mm
Width	64 mm
Height	51 mm
Colour	White
Amount Packaging	10 st.
Mounting method	Surface mounted (plaster)
Material	Plastic
Halogen free	Yes
Type of fastening	Mounting with screw
Material quality	Thermoplastic
Surface protection	Untreated
Surface finishing	Glossy
RAL-number (similar)	9010
Transparent	Yes
Device width	
Device height	
Device depth	
Assembly arrangement	Basic element with housing top
Utilization	Modular Jack
