- Supplied with special cover for applications in which regulations require that the conduit cannot be opened by hand.
- Includes slots and nail holes.
- Internal dimensions: 22.5 x 10.5 mm

Article no:	AT5621
EAN:	8712259272788
Colour	-
Amount Packaging	5 lgt. x 2 m
Degree of protection (IP)	-
Material	Plastic
Height	13 mm
Width	25 mm
Length	2000 mm
Halogen free	No
Useful cross section	154 mm ²
Type of fastening	-
RAL-number	9010
Material quality	Polyvinyl chloride (PVC)
Surface protection	Untreated
Transparent	No
Anti-bacterial treatment	No
Impact strength	-
Cover model	Loose
Suitable for circuit integrity	Yes
Number of permanent partitions	
Number of plug-in partitions	
With cable fixing clip	Yes
With protective foil	No
With duct connector	Yes
Delivery on roll	No
Pre-stamping	No

Z25 and F25 are the most popular surface-mount systems for installation-friendly data cabling. The clever accessories make it possible to use the entire volume of the ducts for data cables up to Ø 10 mm. Every accessory ensures a minimum bending radius of 25 mm. The clickers and guide pieces make installation quick and easy. The special cover makes the F25 ideal for public areas, such as in Fibre to the Home projects in high-rise buildings and stairways. Since the cover is difficult to remove, it cannot be opened by unauthorised persons and, therefore, the chance of interference in telephone, Internet and television signals is reduced.
