Type of closure	Other
Signal passing door	No

The new generation of Click-mate NXT distribution boxes is available in various versions: The compact S distribution box with 12 modules, the familiar M distribution box with space for 2 x 12 modules and the innovative L distribution cabinet with 2 x 18 modules; the solution for the energy transition and extensive 3-phase installations. The distribution boxes are also completely modular and can easily be installed next to or underneath each other.
