|--|----------------------------------|
| Article no: | AT90094 |
| EAN: | 8712259536330 |
| Number of poles | 2 |
| Rated voltage | 230 V |
| Rated current | 16 A |
| Degree of protection (IP) | IP20 |
| Height | 25 mm |
| Width | 25 mm |
| Length | 50 mm |
| Halogen free | Yes |
| Model | Plug |
| Housing material | Polyamide (PA) |
| Connection type | - |
| Mechanical coding | Yes |
| Housing colour | Grey |
| Built-in version | Built-in part/plug-in connection |
| Insert direction | Straight |
| Connection size thread | - |
| Connection cross section (fine-strand) | 2.5 - 2.5 mm ² |
| Number of connections per pole | 1 |
| Pole codification | L, N, PE |
| Colour coding/contact insert | Black |
| Colour of the separate adapter piece | Grey |
| Locking mechanism | Integrated in plug-in connector |
| Max. continuous temperature resistance contact part | 90 °C |
| Max. continuous temperature resistance strain relief | 55 °C |
| Contact material | - |
| Surface treatment contacts | - |
| Continuity resistance | 1 mOhm |
| Wall thickness housing | 2 mm |
| Dispatch | 5 |

The new generation of Click-mate NXT distribution boxes is available in various versions: The compact S distribution box with 12 modules, the familiar M distribution box with space for 2 x 12 modules and the innovative L distribution cabinet with 2 x 18 modules; the solution for the energy transition and extensive 3-phase installations. The distribution boxes are also completely modular and can easily be installed next to or underneath each other.
