

Empty boxes and parts

Installation 2.0 connector

- Suitable for expansion in Click-mate NXT distribution boards.
- Equipped with distribution blocks.

Article no:	AT90095
EAN:	8712259564463
Number of poles	2
Rated voltage	230 V
Rated current	16 A
Degree of protection (IP)	IP20
Height	25 mm
Width	25 mm
Length	50 mm
Halogen free	Yes
Model	Plug
Housing material	Polyamide (PA)
Mechanical coding	Yes
Housing colour	Grey
Built-in version	Built-in part/plug-in connection
Insert direction	Straight
Connection cross section (fine-strand)	2.5 - 2.5 mm ²
Number of connections per pole	
Pole codification	L, N, PE
Colour coding/contact insert	Black
Colour of the separate adapter piece	Grey
Locking mechanism	Integrated in plug-in connector
Max. continuous temperature resistance contact part	
Max. continuous temperature resistance strain relief	
Fire load	
Continuity resistance	1 mOhm
Wall thickness housing	2 mm
Dispatch	5

The new generation of Click-mate NXT distribution boxes is available in various versions: The compact S distribution box with 12 modules, the familiar M distribution box with space for 2 x 12 modules and the innovative L distribution cabinet with 2 x 18 modules; the solution for the energy transition and extensive 3-phase installations. The distribution boxes are also completely modular and can easily be installed next to or underneath each other.
